Instructions –

- Step 1** Score along long side of *Base Card – Very Vanilla* at 2 1/8”. Rotate & repeat opposite side
- Step 2** Layer C – DSP to either side of Card Front Panels leaving small edge showing on all sides
- Step 3** Place A – *Very Vanilla* cross front of card creasing both sides ensuring the creases are slightly bigger than Base Card. This will give you your Belly Band which should slide easily over card. Adhere together
- Step 4** Place into *Petal Burst EF* & run through BS. Slip over Card Front
- Step 5** Stamp large flower in *Blushing Bride Ink*, 1 x small flower in *Sweet Sugarplum Ink* & 2 x small leaves in *Sahara Sand Ink* direct onto B – *Very Vanilla*. Die cut using matching *Stylish Stems Framelits* by running through BS
- Step 6** Die cut large intricate flower from E – *Glimmer Paper* by running through BS using *Stylish Stems Framelits*. Place outline flower die over top of die cut intricate flower & run through BS once again. This gives you your glimmer flower
- Step 7** Die cut 2 x intricate leaves from D – *Early Espresso* & 1 x small intricate die with *Stylish Stems Framelits* & running through BS
- Step 8** Ensuring Belly Band is in correct place on your card, layer small flower at bottom of Belly Band & on the right hand side of Card Front with *Stampin’ Dimensional*. Adhere small leaf underneath. This will stop your Belly Band from sliding all way down
- Step 9** Arrange flowers & leaves on Belly Band & adhere to Band with *Multipurpose Liquid Glue*
- Step 10** Stamp greeting/sentiment onto remaining B – *Very Vanilla* in *Early Espresso Ink* & punch with *Classic Label Punch*
- Step 11** Adhere punched greeting to small strip of remaining D – *Early Espresso* & cut into shape leaving small edge showing around all sides
- Step 12** Adhere to Belly Band with *Stampin’ Dimensionals*
- Step 13** Complete card by adhering *Pearls Basic Jewels* to centre of flowers
